

**Coordinate GPS:** 43.778796,11.257518

### **By Car**

#### **From the North of Italy**

Drive along A1 to Florence and get out at Firenze Scandicci. Turn into the Firenze-Pisa Livorno towards Firenze. Go on along viale Talenti and viale Etruria until you reach the “Viali di Circonvallazione”. Drive into them, then go as far as Piazza della Libertà, then turn into Via Cavour towards town center. Turn right again (Via Sant'Anna). Then take the second on the left (Via Zara) and continue as far as the crossroads with the stop sign (Via XXVII Aprile). Turn left and then left again into Via San Gallo.

#### **From the South of Italy**

Drive along A1 to Florence and get out at Firenze Sud. Then follow the directions to “Viali di Circonvallazione”, and drive as far as Piazza della Libertà. Then turn into Via Cavour towards the town center. Turn right into Via Sant'Anna. Then take the second on the left (Via Zara) and continue as far as the crossroads with the stop sign (Via XXVII Aprile). Turn left then left again into Via San Gallo.

### **Car Park**

Just opposite the Hotel you will find an attended car park providing with pick-up and delivery service. The rate is € 25,00/31,00 a day, service included. Alternatively, you can use the public garage at only 5 minutes' walk. The rate is € 20,00 a night.

» [For further information contact our front desk.](#) .

### **By Train**

Hotel Orto de' Medici is only 10-minute walk from the Santa Maria Novella train station. You can reach us by taxi or by bus (1 - 7 - 10 - 17 - 25). The closer bus stop is at Piazza San Marco (tickets can be bought also at the news-stands within the train station).

### **By Air**

From Galileo Galilei Airport – 10 km from the Hotel- a taxi ride should cost about €25,00, alternatively you can use public transport, catching the bus to the Central Station, then walk to our Hotel or take a second bus (1 - 7 - 10 - 17 - 25). Transfer service with private driver and for groups up to sixteen people is available on request at the price of € 55,00 for a 4-seats car with air conditioning.
